Policy Inclusions And Options

Single Trip or Annual Multi-Trip

You can choose a plan to cover one Single Trip or, for frequent travellers, an Annual Multi-Trip to cover any number of Journeys over the next 12 months.

Frequent Travellers

If You are a frequent traveller then an Annual Multi-Trip offers year round cover for Your travels provided they are to destinations over 250 km from Your Home.

You can choose a trip duration limit to suit Your needs for the year:

International Travel

- 30 days
- 45 days
- 60 days

Domestic Travel

- 15 days
- 30 days

Choose Your Excess

When travelling internationally You can choose Your excess. We currently have the below excess choices available, however higher excesses may also be available. The higher the excess You choose, the lower the premium.

Your excess will be shown on Your Certificate of Insurance.

- \$0 excess
- \$100 excess
- \$250 excess
- \$50 excess applies to the Domestic Plan

Cancellation Cover

International Plan I offers two levels of cancellation cover. You must choose either:

- \$Unlimited cover
- \$3,000 cover

The level of cancellation cover You choose will influence Your premium.

You should choose an amount that will cover all prepaid travel tickets, hotels, tours or other travel related expenses for all travellers on this policy.

The level of cover You choose will be the total amount covered under Section 3 (pages 38-39) on a per policy basis and will be shown on Your Certificate of Insurance.

Extending Your Journey

Having too much fun? If You're having too much fun on Your Journey and wish to be insured for longer than the original period You will need to purchase a new policy through the providing entity prior to the expiry date shown on Your original Certificate of Insurance. It is not an extension of the previous policy.

It is important to note that should a medical condition present itself prior to the time of issue of the new policy, it may be considered an Existing Medical Condition under the new policy and therefore may not be covered by the new policy. Purchasing a longer duration policy up front may avoid this risk.

Where Existing Medical Condition cover is separately applied for and accepted by Us, cover may be subject to special conditions, limitations, excesses and amounts payable depending on Your age, duration and destination.

This will be stated on Your Certificate of Insurance.

Cover-More Insurance Services Pty Ltd, ABN 95 003 114 145, AFS Licence No. 241713 (Cover-More), administers the policy (including customer service, medical assessments and claims management) and will usually arrange for the issue of the insurance, either directly or through the appointment of authorised representatives. Alternatively, another financial services licensee or its authorised representatives may arrange for the issue of this insurance.

The person who provides You with this PDS is the providing entity. The capacity in which they act is displayed in the Financial Services Guide on pages 51-53 of this booklet.

When And How Benefits Are Provided

The benefits for which You are insured under this policy are payable:

- when an insured event occurs during the Period Of Insurance causing You to suffer loss or damage or incur legal liability; and

- Your claim is accepted by Us.

After calculating the amount payable We will either:

- pay for replacement (after allowing for depreciation) or repair of Your personal luggage;
- pay for specified Additional expenses;
- pay the person to whom You are legally liable; or
- pay You.

Additional Policy Information

The insurance We offer You is set out in the PDS and Policy Wording. It is important that You:

- are aware of the limits on the cover provided and the amounts We will pay You (including any excess that applies);
- are aware of the Words With Special Meanings found in the Policy Wording on pages 28-31; and
- are aware of the Maximum Benefit Limits shown in the Benefits Table on pages 8-9.
- are aware of the Policy Conditions and General Exclusions found in the Policy Wording on pages 31-50.

Change Of Terms And Conditions

In some circumstances the terms and conditions of the policy may be amended by Us provided We give You notice in writing.

Your Duty Of Disclosure

You have a legal duty of disclosure to Us whenever You apply for, or change an insurance policy.

What You Must Tell Us

You have a general duty to disclose to Us everything that You know, or could reasonably be expected to know, is relevant to Our decision whether to insure You, and, if We do, on what terms. Your general duty applies until the time You enter into the insurance policy.

However, Your duty does not require You to disclose anything:

- that reduces the risk to be undertaken by Us;
- that is generally well known;
- that We know or, in the ordinary course of Our business, ought to know; or
- in respect of which We have waived Your duty.

If You Do Not Tell Us

If You do not answer Our questions honestly or do not properly disclose to Us, We may reduce or refuse to pay a claim or may cancel the policy. If You act fraudulently in answering Our questions or not disclosing to Us, We may refuse to pay a claim or treat the policy as never having existed.

Your General Duty Applies To Changes

Your general duty applies in full when You change or reinstate the insurance policy.

Your General Duty Is Limited For New Policies

When You apply for a new policy Your duty of disclosure applies, but You do not need to disclose something to Us unless We specifically ask You about it. However, You must be honest in answering any questions We ask You. You have a legal duty to tell Us anything You know, and which a reasonable person in Your circumstances would include in answering the questions. We will use the answers in deciding whether to insure You and anyone else to be insured under the policy, and on what terms.

Who Needs To Tell Us

It is important that You understand You are disclosing to Us and answering Our questions for Yourself and anyone else You want to be covered by the policy.

Code Of Practice

We have adopted the General Insurance Code of Practice developed by the Insurance Council of Australia. The Code is designed to promote good relations and good insurance practice between insurers, authorised representatives and consumers.

The Code sets out what We must do when dealing with You. Please contact Cover-More if You want more information about the Code.

The Amount You Pay For This Insurance

You can obtain a quote from the providing entity. The amount We charge You for this insurance policy is the total amount of the premium that We calculate to cover the risk and any relevant government charges (such as GST and stamp duty). These amounts add up to the total amount You must pay.

Once the policy is issued Your total premium and any relevant government charges are shown on the Certificate of Insurance.

If You change Your policy in any way You may be entitled to a partial premium refund or required to pay an additional amount.

How Various Factors Affect The Amount Payable

We consider a number of factors in calculating the total Amount Payable. The key factors that affect the amount You pay include the plan, the area to which You are travelling, Your age, the excess and the duration of Your Journey and whether You take out additional cover.

The following is a guide on how these factors combine together and may impact on the assessment of risk, and therefore Your premium.

- Plan - the International Plan, which provides more cover, costs more than the Domestic Plan.
- Area - higher risk areas cost more.
- Age - higher risk age groups cost more.
- Excess - the higher the excess the lower the cost.
- Duration - the longer Your trip the more it usually costs.
- Cancellation Cover - the more cancellation cover You require the higher the cost may be.
- Extra Cover Options - additional premium may apply.
- Existing Medical Conditions and pregnancy - additional premium may apply if accepted for cover.

How A Claim Payment Is Calculated

When We pay a claim We consider a number of aspects in calculating the amount. These can include:

1. The amount of loss or damage or liability;
2. The excess;
3. The maximum benefit limits and sub-limits;
4. Reasonable depreciation; and
5. The terms and conditions of the policy.

The following example illustrates how We will calculate the amount payable for a claim:

- Your new video camera with an original purchase price of \$4,000 is stolen from a hotel room.
- You are travelling on International Plan I.
- You have chosen the nil excess option.
- You have not paid an additional amount to increase the standard item limit.

The amount payable following the claim would be calculated as follows:

- consider the value of the video camera – \$4,000 (no depreciation applies because the video camera was new).
- consider the maximum benefit limit for Luggage and Travel Documents – \$12,000.
- consider the maximum item limit payable for cameras and video equipment – \$3,500. This item limit does apply in this case.
- as You have chosen the nil excess option, no excess is deducted. This results in an amount payable of \$3,500.
